Office of the Resident in Mysore

At Bangalore 20th September 1882

Recd — 21st —

To

The Secretary to the Government of India,

Foreign Department,

Simla.

Sir,

I have the honor to state that I appear very desirable that Act XII of 1880 (the Kazis' Act) should become Law for the civil and Military Station of Bangalore

2— A Kazi appointed by Government will be respected by all parties of Mahomedans and it will be advantageous to the interests of Government as well as of the people that there should be some recognized representative or representatives of the Mahomedan Community, who may have authority to settle disagreement on religious points amongst the

Mahomedans themselves,
and to whom the government
can refer as an authority
in such matters. There
have of late been divergences
in certain points of religious
observance among the
Mahomedans of the Civil & Military Station
which might
have led to unfortunate
consequences, and the
want has been felt of some
person or persons of authority to whom
the government could
refer the disputants.
I have the honor, therefore,
to request that H. E. the
Viceroy and Governor General
in Council may be moved to introduce
the Act into the Civil and
Military Station of Bangalore.
I have &c.

Dated Fort William, the 17th March 1883.

Sir,

I am directed to acknowledge the receipt of your letters noted in the margin regarding the extension of certain Acts to the Civil & Military Station of Bangalore.

No. 159 of 1st April 1882
" 74/27 of 13th "
" 678/147 of 24th June 1882
" 1429/276 of 20th Sept. 1882

Telegram of 12th Feby. 1883

2. A copy of Foreign Department Notification No. 529 I, dated the 1st March 1883, published in the Gazette of India of the 3rd March is enclosed for your information. This Notification includes all the Acts (except No. XXVI of 1881) of which the extension was specifically proposed in one or other of your letters cited above. It also includes two other Acts, No. XXII of 1881 and No. III of 1869 which you have not separately recommended for extension, but which were entered in the draft Notification (accompanying your letter of the 24th June) detailing the Acts to be declared in force within the station. As neither of the Acts in question has hitherto been extended it is thought better to add them

to the number of those which have now been extended for the first time.

3. Act No. XXVI of 1881 (The Negotiable Instruments Act.) has been omitted for the present because it seems desirable to reserve the question of extending it for more deliberate consideration than it has been possible to afford it hitherto. It will however receive attention as early as possible

4. As you will observe, the modifications made in column 4 of the Notification follow for the most part those suggested in your letters under acknowledgment, and therefore need no special notice here. They have generally been restricted to what seemed essential for adapting the law in question to the particular requirements of the station.

5. A separate Notification dealing with the Acts which have already from time to time been extended to Bangalore is under preparation, and will be published with the least possible delay.

I have the honor to be,
Sir,
Your most obd.t Servt.,

for Secretary to the Government of India
